

 <b>Elektrotechnische Produkte</b>	<b>Declaration of Conformity to ISO/IEC Guide 22 DIN EN 45014</b>	<b>Nr. 102600E</b>
--	---	------------------------

**Producer:** GT Elektrotechnische Produkte GmbH  
**Address:** Kupferschmidstrasse 86  
79761 Waldshut - Tiengen

**Product:** Indoor- and Outdoor – Terminations for plastic and rubber insulated cables Type SI(F)EV  
Nominal voltage 6 kV, 10 kV, 20 kV and 30 kV

**Article number:** 230 000 to 230 168; 231 099 to 231 450; 231 550 to 231 750;  
232 000 to 232 250; 232 300 to 232 460; 232 600 to 232 850;  
232 900 to 232 935; 233 100 to 233 402; 233 403 to 233 424;  
233 500 to 233 752; 234 004 to 234 018; 242 051 to 242 062

The above described product is developed, constructed and produced according to:

Document-No.	Title	Date of issue
VDE 0278	VDE-instruction for power cable accessories with rated voltage U up to 30 kV (U <sub>m</sub> up to 36 kV) Part 1 / 2.91, "General", Part 4/2.91 "Indoor terminations above 1 kV (U <sub>m</sub> > 1,1 kV)" and Part 5/2 "Outdoor terminations above 1 kV (U <sub>m</sub> > 1,1 kV)"	February/June 1994

Additional information:  
A complete technical documentation is available.  
The corresponding mounting instruction exists.

The mounting instruction belonging to these products as well as the technical documentation exist in original version. This declaration of conformity ceases to be valid when any alterations were made without coordination with us and without our written approval.
